

*Cinco Ranch High School*  
*PTSA Hospitality*

The Hospitality team of CRHS PTSA provides our teachers and staff with many special treats during the year, showing them our appreciation for their dedication and service.

We need parents to donate pies and other small food items for events throughout the year. Items can be either homemade or purchased.

Pie day, special treats in their mail boxes, chocolate day, the "Teacher Appreciation Week" luncheon are just some of the hospitality activities provided during the year.

*Come and join us.*
